### Executive's Report

- a. Reply letters were opened, and sorted into 4 categories of answer-types. (1) Declined at this time; (2) Please fill their specific application forms; (3) A notice of receipt and the judgment comes later; (4) Not accepting unsolicited applications.
- b. Many letters implicitly suggested to start the service to their communities. Therefore, the first priority is almost set.
- c. The second priority: TuneFind is criticized as an organization of "accounting irregularity". So it is important to establish its accounting system in compliance with Generally Accepted Accounting Principles (GAAP).
- d. Basic computer knowledge sharing among Committee members for preparation of community outreach.

### **DISCUSSION**

- a. All of the above.
